HOMEWORK FOR CLASS ON WEDS, NOV 18th

In the movie, Hope Grows, the characters use different labels to describe Produce:

- * some call him a "retard"
- * some say he's "different" or "disabled"
- * some say he has Down syndrome
- * some never give him a label at all

Use your Leadership Journals to write or draw your answers to these questions:

- 1) How would you describe Produce IN YOUR OWN WORDS?
- 2) What do you think about using labels to describe people?

- * Is using a label always a bad thing?
- * Are there times when someone may NEED to use a label?
- * Can you describe someone without using a label?

- 3) Here is a quote for you to think about:

*"It's not always the label that a person uses,
but their attitude about the other person that really hurts".*

What does this mean to you? Write or draw your thoughts about it in your journal.

**** If you get stuck, THAT'S OK!****

Write or draw your own ideas about labels and name-calling so you can share these in class. There are NO WRONG ANSWERS!
